

WSIPC and SchoolMessenger Partner to Provide Best-in-State pricing for Full Notification Coverage for 1,400 Washington Schools

WELCOME WESPAC DISTRICTS!

The Washington School Information Processing Cooperative has partnered with SchoolMessenger to provide best-in-state pricing options for the state's leading notification service. Plus, new and existing SchoolMessenger customers get a free upgrade to enhanced Family Access – providing a single location for parents to log in and update contact information.

Unmatched Pricing for Full-service Notification Through the end of the 2010 - 2011 School Year

Need more than just emergency coverage? If you want to use SchoolMessenger for additional notification needs such as automated attendance calling, child nutrition low balance alerts, general announcements, and more, WSIPC has established the best-in-state pricing for that too. This offer is available now to all districts not already using SchoolMessenger.
